EUROFOX

Modern cowling design and Fiti Competition propeller offers generous engine cooling with minimal drag

Ergonomic layout of instrumentation and systems enable effortless operation

Comfortable seats have 4 point harnesses and direct access to the generous rear baggage locker

Features

- Wings can be folded in less than 10 minutes by one person
- Very short take-off and landing ground roll
- Modern cowling design and large cabin
- Equipped with Dynon Avionics EFIS-D100 and Garmin EKP-IV Av-map

Operating Weights and Loading

All up Empty Weight (Average A/C).....	288.5Kg
Max. Take-off Weight—LSA category	560Kg
(Useful load.....)	271.5Kg
Max. Take-off Weight—RAA 95.55 category.....	544Kg
(Useful load.....)	255.5Kg

Performance

Stall Speed (clean, no power).....	43KIAS
(full flap, no power).....	36KIAS
Cruise Speed @ 4800RPM.....	100Kts TAS
@ 5250RPM	110Kts TAS
Max. Flap Extension Speed.....	81Kts
Glide Ratio	14:1 @ 60Kts
Fuel Capacity	85Ltrs
Range	570 Nautical Miles (plus)
(Endurance capability	5.7Hrs (plus)
Take-off Ground Roll	154'
Landing Ground Roll	200'

Dimensions

Wingspan	29' 11.3"
(Wing area	122.53Sq Ft)
Aircraft Length	18' 6.5"
Aircraft Height	7' 4.5"
Cockpit Width	44.1"
Baggage Compartment.....	21" x 30" x 15"-22"
Dimensions with Wings Folded	
Max Width.....	7' 10.5"
Max Height	5' 10"
Length.....	21' 6"
Main Gear Width.....	7' 6.5"
Main Wheel Tyres	15 x 600 x 6
Nose Wheel Tyre	12 x 4

Components

Engine	912 ULS Rotax 100Hp
or.....	912 S Rotax 80Hp
Propeller	Fiti Competition 61.4" Diameter
(ground adjustable)	
Clearance	1.143'
(in flight position)	

Factory Options

- Cabin Heater
- Strobe, Nav and Landing lights
- Carburettor Air Heat
- External Power receptacle and lead
- Tow Bar
- Canopy Cover
- Digital Clock and Temperature Indicator
- Electric Fuel Pump
- Long Range Fuel Tanks
